OUR STORY

In Colorado Springs, the air is crisp, the winters are cold and we think it is the best place to come up with innovative ideas to bring more comfort to your pets.

Since the acquisition of Lectro-Kennel in 1998, K&H has become the leading manufacturer of pet, pond and agriculture products. Each year has seen the development of new and unique products providing comfort for pets and appreciation by you, their owner.

OUR DEDICATED FACTORY IS ISO9001:2008 CERTIFIED

Food & Water Bowls

Coolin' Bowl™ 32 oz. - (pictured above & below)

Coolin' Bowl™

The Coolin' Bowl™ is the ultimate in refreshing, cool water. Activate cooling crystals by filling the interior with water before first use. Then simply freeze this bowl overnight in the freezer and pets can enjoy up to 15 hours of cooled water. Perfect for working pet parents, beach trips, camping, traveling, etc. One year limited warranty.

2550	blue	96-oz.	6

PATENT PENDING

Thermal-Bowl™

The Thermal-Bowl™ makes water available for pets in even the most extreme cold temperatures. Thermostatically-controlled, the Thermal-Bowl™ is the answer to freezing water bowls. Just plug it in and your pet's water will remain open all winter. All electronics are safely sealed inside and the cord is steel wrapped to prevent abrasion. These bowls use anywhere between 12 and 25 watts, depending on the size, making them all good choices for low energy consumption. Indoor or outdoor use. MET listed. One year limited warranty.

Adjustable digital temperature control

Deluxe Lectro-Kennel®

For absolute control, our Deluxe Lectro-Kennel® is the perfect choice. Whether for whelping of puppies, post surgery veterinary care, or just wanting that added control of temperature, Deluxe Lectro-Kennel® is the professional's choice. A unique built in sensor and thermostat allow the pad's temperature to be easily adjusted. The easy to read digital readout and simple push button design make this product the only one of its kind. It comes with a free washable cover, is MET listed and has a one year warranty.

Amazin' Hooded Lounger™

We've taken the same great materials from all of our Amazin' Kitty™ products and made this cat-pleasing hooded lounger. This affordable bed will be a huge hit with your furry family members. Unique, super-soft polyester fibers attract hair and dander and the hooded feature gives cats a feeling of safety and comfort for hours of cozy lounging.

Item #	Color	Dimensions	Case Pack
5206	gray	13″ x 17″	6

Amazin' Kitty Lounge Sleeper™

Made from the same cat-pleasing material as the Amazin' Kitty Pad™, the Amazin' Kitty Lounge Sleeper™ is a perfect nesting bed for the economically minded cat lover. The Amazin' dander and hair trapping properties of this bed will be appreciated by all.

Item #	Color	Dimensions	Case Pack
5205	gray	17″ x 13″	6

Amazin' Kitty Pad™

The Amazin' Kitty Pad™ is 100% polyester that attracts kitties like bears to honey. It helps trap kitty dander and hair like nothing else. The design is super economical and gray color looks great in any home. Cats love the Amazin' Kitty Pad™.

Item #	Color	Size	Dimensions	Case Pack

K&H Bird Bath AutoFill™ - (page 48)

Small Animal Heated Pad™

Only 25 watts is all that's needed to keep an indoor or outdoor pet warm and comfy even in the coldest of climates. The 9" x 12" size is perfect for rabbits, guinea pigs or ferrets and is ideal for the rehabilitation of wildlife. The internal thermostat is pre-set to be the perfect temperature. We've cleverly rounded all the edges to take away a chewing surface and even capped the cord entrance and the first 18" of the power cord with steel. Holes in the four corners allow for screws to anchor the pad on wood surfaces or to be wired in place for wire-floored cages. The perfect warm spot for any small animal! Indoor or outdoor use. MET listed. One year limited warranty.

PATENTED

Thermo-Perch™ *(pictured left)*

The patented Thermo-Perch™ helps protect your exotic birds from the harmful effects of air conditioning and cold drafts. Cold is a major contributor to health problems for exotic birds, and providing warmth is the first step of avian experts and veterinarians. Thermostatically controlled, Thermo-Perch™ provides a safe, consistent source of warmth, stabilizing the bird's environment. Made of sturdy scratch and bite-resistant plastic, it attaches easily to wire cages. Its irregular shape reduces foot cramps and pressure sores, providing orthopedic benefits. One year limited warranty.

K&H Thermo-Chicken Perch™

No more frozen toes! Most birds being covered in their own down blanket lose a lot of body heat through their feet. In extreme cold weather, the K&H Thermo-Chicken Perch™ can be invaluable. The gentle warmth provided by the perch aids in the retention of body heat. The perch warms the entire body utilizing the bird's own circulation system. Dual internal thermostats regulate the perch to the perfect temperature, day and night. Warm perch = happy birds! Cord length is 5-1/2 feet and perch is available in two sizes. MET listed. One year limited warranty.

Item #	Color	Dimensions	Wattage	Voltage	Case Pack
2110	black	26" length	40 w.	120 v.	6
2111	black	36" length	55 w.	120 v.	6

MET

Thermo-Peep™ Heated Pad

The Thermo-Peep™ Heated Pad is the ideal additional heat source for your peeps! It is designed to fit most nesting boxes to help prevent frozen eggs. The 9" x 12" size is perfect for the urban farmer in many settings. Use in the first stages of life for mandatory heat requirements and later when old man winter pays a visit! The internal thermostat is pre-set to the perfect temperature. Ensuring your chicks do not "get chilled" will help prevent "pasting" and support a healthy start. Only 25 watts makes the Thermo-Peep™ Heated Pad the most energy efficient heat source on the market for your peeps. We even capped the cord entrance and the first 18" of the power cord with steel for the ultimate safety and well-being of your birds. Holes in the four corners allow for screws to anchor the pad on wood surfaces or to be wired in place with traditional chicken coops. For use in an enclosure. MET listed. One year limited warranty.

Item #	Dimensions	Wattage	Case Pack
2160	9" x 12"	25 w.	6

MET

Thermo-Chicken™ Heated Pad

The Thermo-Chicken™ Heated Pad is perfect for chicks and chickens. The 12.5" x 18" size is perfect for most chicks and chickens. Use in the first stages of life for mandatory heat requirements and later when old man winter pays a visit! The internal thermostat is pre-set to the perfect temperature. Ensuring your chicks do not "get chilled" will help prevent "pasting" and support a healthy start. Only 40 watts makes the Thermo-Chicken™ Heated Pad very energy efficient. It can be placed on the floor or mounted to a wall. For use in an enclosure. MET listed. One year limited warranty.

Item #	Dimensions	Wattage	Case Pack
2170	12.5" x 18.5"	40 w.	6

Stock Tank De-icers

The "Farm Essentials" line from K&H Manufacturing has "reinvented the wheel" when it comes to keeping fresh water available in the winter. Every K&H de-icer is thermostatically controlled and safe to use in all stock tanks, unlike nearly all of the other de-icers available in the market today. No expensive shrouds or cages need be purchased either. Every one of our de-icers can be used as a floating de-icer out of the box or in seconds converts to a submersible de-icer with the click of a button!

In the past, all that was readily available were energy gulping 1000 watt to 1500 watt de-icers. Customers had no choice but to purchase these expensive-to-run de-icers, even when they didn't need it. We've solved this problem by creating a whole line of de-icers along with a convenient zone chart for consumers to choose the correct de-icer every time! A free cord safety clip is also included with every de-icer. This ingenious clip secures the de-icer to the edge of the stock tank, bucket or container to help prevent chewing, cribbing or removal of the de-icer from the tank. When it comes to fresh water, K&H Farm Essentials™ is the choice that makes "cents". MET listed. Two year limited warranty.

At K&H we know how much you care about your pets. That's why at K&H we design innovative, quality products to make their lives better.

QUALITY

Only the finest materials are used to make K&H products durable and long-lasting. We have one of the lowest return ratios in the pet industry.

THERAPEUTIC BENEFITS

Every K&H bed or mat provides warmth to relax muscles for active pets and to sooth joints and muscles for aging and arthritic pets. Our traditional beds feature choices of memory foam, orthopedic foam and self-heated polyfilled beds to help your pet enjoy their K&H bed.

VET & PET EXPERT RECOMMENDED

Thousands of veterinarians and pet experts use, recommend and promote the year-round use of not only our traditional bed line but our innovative heated pet bed line as well. They find our products reliable, affordable and beneficial to pets.

GREEN & ENERGY EFFICIENT

With our industry-changing technologies, many of our products cost less to run than the average night light. Low wattage = low operating costs. That's important in today's world of high energy costs. K&H proudly uses foam made from bio-based materials and polyfil made from recycled bottles.

PRODUCT DEPTH & INNOVATION

K&H has the most extensive line of heated pet products in the industry. Our product line is totally unique, with products unlike anything offered by other manufacturers. Our traditional beds offer the total pet comfort solution.

SAFETY

K&H Pet Products works closely with MET Laboratories to assure safe products for pets and homes.
